

WEEKLY MARKET PRICE 41-2024

- *Cotton prices in New York remained steady over the past week, supported by robust demand.*
- *Fiber and yarn prices continued to recover following the holidays in China.*
- *Cotton prices have continued to decline over the past week in India due to the increased arrivals from the new crop.*
- *Despite a rebound in cotton fiber prices on both domestic and international markets, cotton yarn prices in Pakistan have not recovered over the past week.*
- *Cotton yarn prices have experienced a notable increase on the international market, driven by rising cotton prices and renewed optimism in China.*
- *Polyester prices surged following the October holidays in China, but have since receded due to a general downturn in financial markets.*
